

**VINDCARE**  
—LIFESCIENCES—

Your Health is  
Our Mission

AN ISO 9001:2015 CERTIFIED COMPANY

# ABOUT US

**"Vindcare Lifesciences"** is one of the most vibrant and fastest-growing company in the country. We aim to focus on medical specialty segments and also explore new markets in the global pharmaceutical region. We have a wide network of products that focus on Tablets, Capsules, Injections, Ayurvedic Medicines, Syrups, Softgel, Creams & Powders. It's an **ISO 9001:2015 certified company** which provides complete healthcare solutions to various therapeutic segments of the pharmaceutical industry.

We are committed to providing the highest quality healthcare solutions to all by developing pharmaceutical products. With our PCD Pharma Franchise business program & third party manufacturer & supplier in India, you get access to several quality pharmaceutical products from WHO & GMP sources at your disposal.

**"Vindcare Lifesciences"** pharma professionals assure you that our clients will get the best possible support at economical prices. Your search for best PCD Pharma company ends here.

Our aim is to **"grow together" at "Vindcare Lifescience"**

## VISION

Our vision is to become successful globally among all pharmaceutical companies by providing high quality, affordable and innovative formulations in India

We give our best on achieving best class service on high-quality products and competitive pricing through a commitment to our ethical standards.

Our reputation is based on ensuring our clients to receive the best quality both in terms of products and services.

## MISION

- To build trust by providing and delivering best quality pharmaceutical products.
- To develop and provide innovative products and services that save, improve and enrich lives around the world making a difference in their quality of life.
